WHAT THE HELL! WHAT IS IT!!

Huh..?

CUSTOMER

PLEASE GO INSIDE,

UGH!!

WHAT THE HELL? WHO ARE YOU?

RIGHT NOW, OUTSIDE.

THERE'S A LADY SWINGING A SCYTHE AROUND SAYING HOW ALL MEN SHOULD HAVE THEIR PENISES CUT OFF...

HER STARE...
DOESN'T LOOK
NORMAL AT
ALL.

I BELIEVE IT'S BEST
IF YOU GO INSIDE
CUSTOMER.

HONEY,
WHY IS IT
SO LOUD
OUTSIDE?

T... THEN.

SHH
SHHH~

stop.

If you move any further, your head will fly off.

WHAT WERE YOU DOING WHEN THAT THING CAME IN?

Look at my current state.

She's not normal at all

2 Customers were done in.

And she seems to know what this place is.

But the customer in 504 is a little strange.

While he was intoxicated he got up and tried to help me.

And not only that, he was forced to drink the poison twice...

NO WAY...
EVEN AFTER
TWO TIMES?

Ey...

Lily you must've had a hard time huh?

Yun, the only reason why you had it easy was because I did all the work!

Kyaha~ Lily is so cute when she pouts.

SHE WAS ABLE
TO TAKE MASS
AND SHAPE
WITHOUT A
MEDIUM?

SHE'S A
HIGH CLASS
SUCCUBUS.

DID SHE
KNOW WHAT
THIS PLACE
WAS?

OR IS IT.

Min!

AHH.
WE LOST
HER.

Sorry,
I made the
mistake...

SINCE YUN
CUT HER SO
THAT SHE
COULDN'T
KEEP HER.

HE'S NOT REACTING...
SOMETHING IS
STRANGE?!

THIS IS...

다

TUN! HE'S TALKING ABOUT HALF SAUCE/ HALF FRIED CHICKEN THAT'S POPULAR IN KOREA.

My work hours are already done.

Oh my. I didn't hear, Kai? Starting today

You're indefinitely working.

I see...

Poor Kai.

Here,
it's your
work.

What's inside
of here?

Analyze it.

Hoo.

I didn't think
you'd find
an energy
like this!

Yeah.

How
long?

If I don't sleep
around 15 days...

However,

If I can touch
your sacred
breast for
even a second.
Lady habin.

My brains
will release end-
less amounts of
endorphin and
serotonin to
finish it in 12
days, no 10
days!

to be continued
